

WHOLESALE LINE SHEET

EFFECTIVE JULY 2026

At Bauer's Brew, we believe coffee is an art — not a commodity. It should be experienced, not just consumed. This is the fuel that drives our mission to redefine what the "special" in Specialty Coffee means — so that excellence becomes the expectation, not the exception.

ORDERING & TERMS

- **HOW TO ORDER** — Email or submit your PO to sales@bauersbrew.com with product name/SKU, quantities, and any order-specific details. Ordering methods may change; an online portal may be introduced and will be communicated.
- **PAYMENT** — Net 10 terms are available on orders over \$1,000 for accounts with two or more completed orders. All other orders are due in full before delivery. Prepayment may be required at Seller's discretion.
- **DELIVERY** — Self-distributed to Long Island and the NYC area at no charge. Accounts beyond 20 miles of ZIP 11746 may require higher minimums or pickup arrangements. Risk of loss passes to Buyer upon delivery.
- **LEAD TIME** — Every product is produced fresh to order; we intentionally carry minimal inventory. Next-day or rush fulfillment is not guaranteed — please order in advance when stock runs low.
- **PRICING** — Subject to change after the effective date; order minimums apply. Always refer to the current posted line sheet for live pricing.
- **STAY CONNECTED** — Add sales@, info@, and mike@bauersbrew.com to your contacts so no order communication is missed.

BOTTLED COLD BREW

METICULOUSLY HANDCRAFTED IN SMALL BATCHES & BREWED TO ORDER

SPECIALTY GRADE ARABICA · REMINERALIZED R.O. WATER · COLD PROCESSED & FILTERED

SINGLE ORIGIN COLD BREW

Full of flavor and sensory satisfaction. This ‘flavor’ is the country, its terroir, and a culmination of hard work from bean to bottle. Taste the unique characteristics that have been brought to life by exceptional farming practices and expert cold brewing.

COLD'SPRESSO — CONCENTRATE

Convenience meets quality. Handcrafted coffee creations at your fingertips with just a small pour. We did the hard work, so you don't have to. COLD'SPRESSO by Bauer's Brew is the perfect solution for restaurants, bars, cafes, or any location looking for high quality coffee on demand. Our signature Cold Extraction process unlocks the rich and robust flavors you'd expect from traditional espresso — but without the bitterness.

SLIGHTLY SWEET COLD BREW

Sweet satisfaction. Guilt free. The perfect balance between bold and sweet. Our expertly handcrafted cold brew with just the right amount of Monk Fruit extract. This fruit produces an all natural, plant based, better-for-you alternative to sugar.

COLD BREW ON DRAFT

CRAFT COLD BREW + THE EFFICIENCY OF ON-TAP CONVENIENCE

HIGH ROI & PROFIT MARGIN · 4-MONTH REFRIGERATED LIFE · FREE DRAFT SUPPORT

CORNELIUS SLIM KEGS 5 GALLON · REFILLABLE

Best for pre-existing quality draft setups and nitro cold brew. Your first order includes two kegs so we can keep you supplied on an easy rotation — we collect the first empty, clean, refill, and drop off before the second runs out. “Corny” connections and couplers required; ask us about Sanke D-style lid conversions.

BAG-IN-BOX (BIB) 2.5 & 5 GALLON · DISPOSABLE / RECYCLABLE

Best for kegerators and simple systems, in-line nitro and flo-jet pumps, and smaller locations. Ready to serve straight from the box or connected to your draft system, with a small footprint and no keg returns. Not intended for traditional long-draw draft lines.

INCLUDED WITH OUR DRAFT PROGRAM FREE OF CHARGE

- BiB or Corny keg connections & conversions
- Empty keg pick-up, cleaning & re-delivery rotation
- Extended draft-program consulting
- Equipment consultation & installation guidance
- Strategizing & on-draft economics
